

# Roll & Fight

Go from a  
skinny wimp

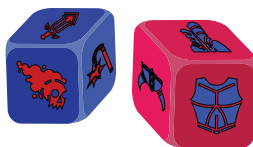

to a skinny  
WARRIOR!!

- Roll & Fight is a roll and write where each player creates warriors as unique as they are.
- Roll the 10 Unique dice and equip your warrior with weapons and armor before you send them into battle!
- Odds for attack and defense are determined based on the weapons and armor you equip.
- Fight each others' warriors' with one player coming out victorious in the end. Alternatively, everyone could die in a glorious final battle.

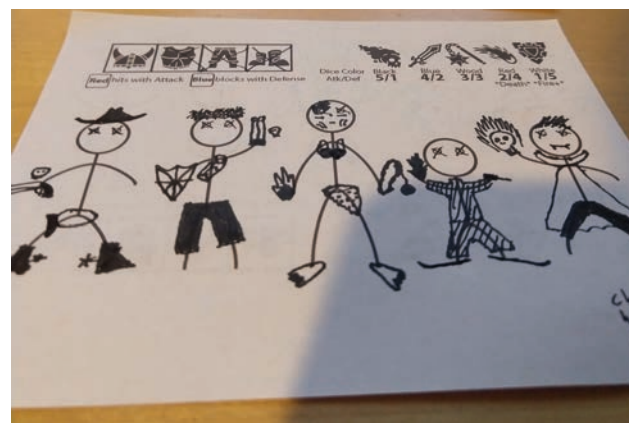

**3 distinct ways to play.** Dice selection, concurrent pose selection, or concurrent pose selection with a speed grab!

10 Unique Armor + Weapon Dice!

## Game Components

- Write Sheets (paper/laminated)
- Pen/Pencil/Dry Erase
- 6 Sided Dice (options shown)
- A) 10 Dice - 2 Molds (Looks + plays best)
- B) 5+ Dice - 1 Mold (Plays fine)
- C) 5+ Standard D6 (Works but boring)

"Finished" player board (they all died)
